1. Introduction

- 1.1 This policy sets out our procedures for reporting sickness absence and for the management of sickness absence in a fair and consistent way.
- 1.2 Sickness absence can vary from short intermittent periods of ill-health to a continuous period of long-term absence and have a number of different causes (for example, injuries, recurring conditions, or a serious illness requiring lengthy treatment).
- 1.3 We wish to ensure that the reasons for sickness absence are understood in each case and investigated where necessary. In addition, we will assist those who have been absent by reason of sickness to return to work wherever possible.
- 1.4 This policy does not form part of any employee's contract of employment and it may be amended at any time.

2. Scope and purpose

- 2.1 This policy has been consulted on with the recognised trade unions and covers all employees of the Trust at all levels and grades regardless of status.
- 2.2 The purpose of the policy is to ensure that staff understand the expectations of the Trust in terms of attendance at work. In applying this policy, we aim to ensure that attendance is managed appropriately and consistently and that employees receive relevant support.

3. Definitions and absence review points

- 3.1 **Short-term sickness absence** - any absence that lasts between a **half and 20 days (four working weeks)**.
- 3.2 **Long term sickness absence** – any absence that lasts for a continuous period of longer than **20 days (four working weeks)**.

Short-term absence

- 3.3 Sickness absence will be reviewed if any of the following apply:

- **3 occasions in a rolling 6 month period**
- **4 occasions in a rolling 12 month period**
- **12 days in a rolling 12 months**

Long-term absence

- 3.4 The review point for long-term absence is considered to be 4 weeks, although, the circumstances of each absence will be carefully considered. Contact will be maintained during the absence and a referral to occupational health may be made at any point. The aim of support will be to assist a return to work wherever possible.

3.5 The policy may still be applied where the employee persistently falls just below the trigger points and where the absence is perceived to be a problem. The absence triggers will be pro rata for part time employees

3.1 Monthly sickness trends will be monitored by the central Trust team and HR.

4. Disabilities

4.1 The Trust is aware that sickness absence may result from a disability. At each stage of the sickness absence meetings procedure, particular consideration will be given to whether there are reasonable adjustments that could be made to the requirements of a job or other aspects of working arrangements that will provide support at work and/or assist a return to work.

4.2 If you consider that you are affected by a disability or any medical condition which affects your ability to undertake your work, you should inform your line manager.

5. Sickness absence reporting procedure

5.1 All employees are required to follow the reporting procedure set out below.

5.2 If you are taken ill or injured whilst at work, you should report this to your Principal / Manager.

5.3 If you cannot attend work because you are ill or injured, you should telephone the absence reporting number in the Academy / Trust (where applicable) by no later than 7.30am. You should also contact your Manager as early as possible. The following details should be provided:

- The nature of your illness or injury
- The expected length of your absence from work
- Any outstanding or urgent work that requires attention, including information in relation to student work that needs covering

5.4 You should notify the Academy / Trust regarding your intended return to work following your recovery from illness.

5.5 Contacting by text message or email **is not** acceptable.

5.6 Managers should ensure that:

- Any sickness absence that is notified to them is recorded and reported to the Academy's office / HR Administrator.
- Arrangements are made, where necessary, to cover work and to inform colleagues (while maintaining confidentiality).

5.7 You should expect to be contacted during your absence by your Principal / Manager or HR who will want to enquire after your health and be advised, if possible, as to your expected return date.

6. Evidence of incapacity

- 6.1 For sickness absence of up to seven calendar days you must complete a self-certification form on your return to work which is available from the Academy's office / HR or alternatively, the form may be downloaded from:

<https://www.gov.uk/government/publications/statutory-sick-pay-employees-statement-of-sickness-sc2>

- 6.2 For absence of more than a week you must obtain a certificate from your doctor (a 'Statement of Fitness for Work') stating that you are not fit for work and the reason(s) why. This should be forwarded to HR as soon as possible. If your absence continues, further medical certificates must be provided to cover the whole period of absence.
- 6.3 If your doctor provides a certificate stating that you "may be fit for work" you should inform your manager and HR immediately. We will discuss with you any additional measures that may be needed to facilitate your return to work, taking account of your doctor's advice. If appropriate measures cannot be taken, you will remain on sick leave and we will set a date to review the situation.
- 6.4 Where an employee is absent immediately prior to a school closure period, they will continue to be deemed as being absent for the purposes of recording sickness and statutory and/or contractual sick pay during the closure period, unless they provide a self-certification form or fit note indicating they are fit to return to work.

7. Unauthorised absence

- 7.1 Cases of unauthorised absence may be dealt with under our Disciplinary Procedure.
- 7.2 Absence that has not been notified according to the sickness absence reporting procedure will be treated as unauthorised absence.
- 7.3 If you do not report for work and have not telephoned your Manager and, where applicable, the absence line to explain the reason for your absence, your Manager or HR will try to contact you, by telephone and in writing, if necessary. This should not be treated as a substitute for reporting sickness absence.

8. Sick pay

- 8.1 You should refer to your contract for details of the sick pay to which you are entitled.
- 8.2 Failure to properly report your absence or to provide medical or self-certification could lead to your pay being suspended.

9. Keeping in contact during sickness absence

- 9.1 If you are absent on sick leave you should expect to be contacted from time to time by your Manager or HR in order to discuss your wellbeing, expected length of continued absence from work and any of your work that requires attention. Such contact is intended to provide reassurance and will be kept to a reasonable minimum.

- 9.2 If you have any concerns while absent on sick leave, whether about the reason for your absence or your ability to return to work, you should feel free to contact your Manager or HR, at any time.

10. Medical examinations

- 10.1 We may, at any time in operating this policy, ask you to consent to a medical examination by our Occupational Health adviser or a doctor nominated by us (at our expense).
- 10.2 You will be asked to agree that any report produced in connection with any such examination may be disclosed to us and that we may discuss the contents of the report with our advisers and the relevant doctor.
- 10.3 Failure to agree to a reasonable request may impact on your sick pay allowance and may be considered under the Disciplinary Policy.

11. Return-to-work

- 11.1 On return from sick leave, we will arrange for you to have a return-to-work interview with your Manager or HR.
- 11.2 A return-to-work interview enables us to confirm the details of your absence. It also gives you the opportunity to raise any concerns or questions you may have, and to bring any relevant matters to our attention.
- 11.3 Where your doctor has provided a certificate stating that you “may be fit for work” we will usually hold a return-to-work interview to discuss any additional measures that may be needed to facilitate your return to work, taking account of your doctor's advice.

12. Returning to work from long-term sickness absence

- 12.1 We are committed to helping employees return to work from long-term sickness absence. As part of our sickness absence meetings procedure we will, where appropriate and possible, support returns to work by:
- Obtaining medical advice;
 - Making reasonable adjustments to the workplace and working practices;
 - Considering redeployment;
 - Agreeing a phased return to work programme if appropriate of up to four weeks.
 - Agreeing a temporary or permanent reduction in hours.

13. Sickness absence meetings procedure

- 13.1 We may apply this procedure whenever we consider it necessary, including, for example, if you:
- Have been absent due to illness on a number of occasions exceeding the review points;

- Have discussed matters at a return to work interview that require investigation; and/or
- Have been absent for more than four weeks.

13.2 Unless it is impractical to do so, we will give you 10 days written notice of the date, time and place of a formal sickness absence meeting. We will put any concerns about your sickness absence and the basis for those concerns in writing or otherwise advise why the meeting is being called. A reasonable opportunity for you to consider this information before a meeting will be provided.

13.3 The meeting will be conducted by an appropriate person or people dependent on the level of potential sanction. You may bring a Trade Union representative or work colleague with you to the meeting (see paragraph 14).

Stage 1 – 1 st written warning	Principal / Manager or delegated to SLT member or HR
Stage 2 – Final written warning	Principal / Senior Manager
Stage 3 - Dismissal	CEO
Appeals	Panel of three Governors / Directors

13.4 You must take all reasonable steps to attend a meeting. Failure to do so without good reason may be treated as misconduct. If you or your Trade Union representative or work colleague are unable to attend at the time specified, you should immediately inform your Principal or HR who will seek to agree an alternative time.

13.5 A meeting may be adjourned if we are awaiting receipt of information, need to gather any further information or give consideration to matters discussed at a previous meeting. You will be given a reasonable opportunity to consider any new information obtained before the meeting is reconvened.

13.6 Confirmation of any decision made at a formal meeting, the reasons for it, and of the right of appeal will be given to you in writing within 5 days of a sickness absence meeting (unless this time scale is not practicable, in which case it will be provided as soon as is practicable).

13.7 If, at any time, we consider that you have taken or are taking sickness absence when you are not unwell, the matter may be investigated as a conduct matter under our Disciplinary Procedure.

14. Right to be accompanied at meetings

14.1 You may bring a Trade Union representative or work colleague to any meeting or appeal meeting under this procedure.

14.2 You should provide their details to your Principal / Manager / HR or the person conducting the meeting, in good time before it takes place.

14.3 Employees are allowed reasonable time off from duties without loss of pay to accompany you. However, they are not obliged to accompany you and may decline a request if they so wish.

14.4 In certain circumstances, work colleagues may not be allowed: for example, anyone who may have a conflict of interest, or whose presence may prejudice a meeting.

14.5 A Trade Union representative or work colleague may make representations, ask questions, and sum up your position, but will not be allowed to answer questions on your behalf. You may confer privately at any time during a meeting.

15. Stage 1: first formal sickness absence meeting

15.1 This will follow the procedure set out in paragraphs 13 and 14 regarding the arrangements for and right to be accompanied at sickness absence meetings.

15.2 The purposes of a first formal sickness absence meeting may include:

- Discussing the reasons for absence(s).
- Where you are on long-term sickness absence, determining how long the absence is likely to last.
- Where you have been absent on a number of occasions, determining the likelihood of further absences.
- Considering whether medical advice is required or, if already obtained, what that advice is.
- Considering what, if any, measures might improve your health and/or attendance.
- Consider the impact of your absence
- Determining a way forward, action that will be taken and a time-scale for review and/or a further meeting under the sickness absence procedure.
- Issuing a first written warning that your employment may be at risk if your attendance does not improve or you return to work. This warning if given would last for six months.

16. Stage 2: further formal sickness absence meeting(s)

16.1 Depending on the matters discussed at the first stage of the sickness absence procedure, a further meeting or meetings may be necessary. Arrangements for meetings under the second stage of the sickness absence procedure will follow the procedure set out in paragraphs 13 and 14 regarding the arrangements for and the right to be accompanied at sickness absence meetings.

16.2 The purposes of further meeting(s) may include:

- Discussing the reasons for and impact of your ongoing absence(s).
- Where you are on long-term sickness absence, discussing how long your absence is likely to last.
- Where you have been absent on a number of occasions, discussing the likelihood of further absences.

- If it has not been obtained, considering whether medical advice is required. If it has been obtained, considering the advice that has been given and whether further advice is required.
- Considering your ability to return to/remain in your job in view both of your capabilities and the needs of the school and any adjustments that can reasonably be made to your job to enable you to do so.
- Considering possible redeployment opportunities and whether any adjustments can reasonably be made to assist in redeploying you.
- Where you are able to return from long-term sick leave, whether to your job or a redeployed job, agreeing a return to work programme of up to four weeks.
- If it is considered that you are unlikely to be able to return to work from long-term absence, whether there are any benefits for which you should be considered.
- Determining a way forward, action that will be taken and a time-scale for review and/or a further meeting(s). This may, depending on steps we have already taken, include warning you that you are at risk of dismissal.
- Issuing a final written warning that your employment may be at risk if your attendance does not improve or you do not return to work. This would remain live for 12 months.

17. Stage 3: final sickness absence meeting

17.1 Where you have been warned that you are at risk of dismissal and the required improvement in your attendance has not been made, we may invite you to a meeting under the third stage of the sickness absence procedure. Arrangements for this meeting will follow the procedure set out in paragraphs 13 and 14 regarding the arrangements for and the right to be accompanied at sickness absence meetings.

17.2 The purpose of the meeting will be:

- To review the meetings that have taken place, the matters discussed, and warnings issued.
- Where you remain on long-term sickness absence, to consider whether there have been any changes since the last meeting under stage two of the procedure, either as regards your possible return to work or opportunities for return or redeployment.
- To consider any further matters that you wish to raise.
- To consider whether there is a reasonable likelihood of you returning to work or achieving the desired level of attendance in a reasonable time.
- To consider the impact of your absence.
- To consider the possible termination of your employment.

17.3 Termination will normally be with full notice or payment in lieu of notice.

18. Appeals

- 18.1 You may appeal against the outcome of any stage of this procedure and you may bring a Trade Union representative or work colleague to an appeal meeting (see paragraph 14).
- 18.2 An appeal should be made in writing, stating the full grounds of appeal within five days of the date on which the decision was sent to you.
- 18.3 Unless it is not practicable, you will be given 10 days written notice of an appeal meeting. In cases of dismissal the appeal will be held as soon as possible. Any new matters raised in an appeal may delay an appeal meeting if further investigation is required.
- 18.4 You will be provided with written details of any new information which comes to light before an appeal meeting. You will also be given a reasonable opportunity to consider this information before the meeting.
- 18.5 Where practicable, an appeal meeting will be conducted by a panel of three Governors or Directors.
- 18.6 Depending on the grounds of appeal, an appeal meeting may be a complete rehearing of the matter or a review of the original decision.
- 18.7 Following an appeal, the original decision may be confirmed, revoked or replaced with a different decision. The final decision will be confirmed in writing, within 5 days of the appeal meeting. There will be no further right of appeal.
- 18.8 The date that any dismissal takes effect will not be delayed pending the outcome of an appeal. However, if the appeal is successful, the decision to dismiss will be revoked with no loss of continuity of service or pay.
